PUBLIC ANNOUNCEMENT PERFORMANCE OF MINISTERS, 2023

The performance of Ministers, Deputy Ministers, and Regional Ministers for the year 2023 has been released.

The exercise also considers the assessment of Members of Parliament (MPs) and the Chief Executive Officers (CEOs) of the State Owned Enterprises (SOEs) in the country.

The assessment involved projects executed by the various ministries, agencies and the Regional Coordinating Councils (RCCs). The public were also given the opportunity to share their opinions as far as the assessment was concerned.

About the Members of Parliament, the team considers development in their various constituencies and works in parliament, as well as responses from the constituents.

The survey took place between the months of October and December, 2023 and it was the 12th Edition of FAKS's Performance of Ministers project.

During the period under review, the 16 regions were divided into four (4) zones. Zone A comprises Greater Accra, Oti, Eastern and Volta region. The zone B regions were Ashanti, Western North, Ahafo and Northern region. Upper East, Upper West, North East region and Savanna region were grouped under zone C, while the zone D regions were Central, Western, Bono and Bono East region.

In total, about 5,063 responses were received across the country. Some of the groups the team talked to were commercial drivers, students, business owners, traders, journalists, civil society organizations (CSOs) and among others.

Mainly, 68% of the respondents were between the ages of 18 and 55 while the remaining 32% were between the ages of 55 and 78.

Zone B (Ashanti, Western North, Ahafo and Northern region) recorded the highest respondents, followed by Zone A, which made up of Greater Accra, Oti, Eastern and Volta while Zone D and C followed accordingly (Central, Western, Bono and Bono East; Upper East, Upper West, North East and Savanna region).
